

### 1. Re-Exam of Sports Students

1	Title of the Practice :	Re-Exam of Sports Students
2	Goal	Ensuring & assuring academic fulfillment to sports who may, on account of their sports events, have to miss their examinations while at the same time allowing them the comfort of focusing on their sports performance.
3	The Practice	Our college is well known for Sports. Various matches of state level, national level and international level are held in accordance with University time table. The college conducts Re-exam of Sports students who have participated in various national, international matches.
4	Underlying Principles	Most of the students miss their College Internal Examination as they may not attend the internal examination held by the college if the dates of internal exam and dates of their matches clash. So college for such conducts internal examinations, separate question papers are prepared for them.
5	Evidence of Success:	This is a very old practice of our college. Students who are on matches of inter-collegiate, state, national and international level can concentrate on their goal and achievements with the assurance that they won't miss the internal exam as college conducts the same exam separately for them.
6	Problems Encountered	Students who are intentionally absent also asking the college to conduct re-internal examination.
