7. Role of NAAC for Overall Development of Colleges

Prof. Lt. S. P. Shende

Dept. of Economics, Shri Shahu Mandir Mahavidyalaya, Pune.

Abstract

National Assessment and Accreditation Council established in 1994 under the UGC for the purpose of providing dynamic qualitative education in the higher education system. For the purpose of promoting quality practices in teaching, learning and research in higher education. Education is become a human capital for this purpose NAAC pressurize on colleges to use ICT, PPT in Teaching, promote quality infrastructure for overall development of the students and teachers in education system.

Introduction

Education is the capital of every country if the education is qualitative then the country will definitely developed. Education of human capital created by NAAC through the educational institutions. NAAC promotes higher educational institutions to develop the educational skill in teaching and learning of the students and teachers they also push the institutions to maintain the standard of higher education.

Key words: National Assessment and Accreditation Council. Higher Education institutions, University Grant Commission, Under-Graduate, Post-Graduate, Development Committee, Internal Quality Assurance Cell, information and communication technologies, Power Point Presentation.

Objective of study

1) To focus the factors which has important role in the development of the higher education.

2) To highlight the Impact of NAAC Accreditation on overall development of colleges.

Methodology of study

This study is based on the analysis of the scenario of the changing system of higher education in India through the NAAC with the help of secondary data collection only. The sources of secondary data are books of NAAC and Higher education, annual reports of IQAC, internet (websites) and research papers magazines etc.

- 1) **IQAC and College:** A higher education institute with the feedback system in place will have an active process of not only collecting feedback from all stakeholders but also analysing it and identifying and drawing important pointers to enhance the learning effectiveness. IQAC has formed for the internal quality. IQAC Coordinator play very important role for educational system he try to maintain quality in teaching.
- 2) **ICT and NAAC:** NAAC promotes institutions to use modern technology in teaching, learning and research for the development of students and teachers and maintain the quality of education. NAAC pressurize on institution to have introduced I.C.T. based teaching and learning methods such Power Point Presentations, online lectures through virtual class-rooms are arranged in the colleges.
- 3) **Skill Development:** Impact of Privatization, liberalization and globalization of economic activities, on the human resources of a higher quality in education. The demand for internationally acceptable standards in higher education is proved. So, the accreditation of NAAC is very useful to examine the students and teachers.
- 4) **Evaluation methodology in Higher Education by Colleges:** NAAC are caring and supportive to the students. They listen the problems of students and find solutions for them. They help in their financial difficulties. They help in their career planning and ask about infrastructure. They help the students in learning about the college and scholarship opportunities. They help in education and training programmes and conducting industrial visits for betterment of students.
- 5) **Infrastructure facilities:** NAAC given suggestion to provide Internet facility with wi fi system to teachers and students to enhance and enrich the teaching, learning process. Website, Webpage Portal is also try to provide to the students from where Time-Table, Syllabus, Question-Papers can be sought. Drinking water, clean toilets, Library, availability of International and national level books magazines are now providing by colleges for students so its impact of NAAC.
- 6) **Developmental Training courses:** Soft Skill plays a vital role for professional success in the competitive world. IQAC of college started Soft Skill Development course for our students to develop their overall personality. College conduct Soft Skill Programme in which various aspects of development of personality such as Communication Skill,

Interview Skill, Creative Problem Solving, Inter Personal Skill, group discussion Team Building is teaching during the programme.

- 7) **Promote Higher education:** NAAC has been working in higher education system so institute is push up and motivate the teachers for higher studies like post doctorate and international level research project work. University and UGC provide leave for such type of higher education and research.
- 8) **Promote Research Project:** The progress of research activities with the help of IQAC has been carried out. Faculty members were also promoted to attend and present the papers in different national and international seminars achieved research project from UGC, BCUD and other university level organization so this credit goes to IQSC under the working of NAAC.
- 9) **Healthy Practice in Institutions:** Institution run the healthy practices in colleges like celebration of birthday of staff, organize meeting with staff, organize community lunch, run some social activity like tree plantation, blood donation, environmental protection rallies this all type of activity institution is supporting to the college and staff for healthy practice and friendly atmosphere in college.
- 10) **Awards for Inspiration:** Awards and prizes provide to the students and teachers for excellence work in the field of education. NAAC promote colleges and HEIs to give awards and prizes for betterment of education system. In colleges and institutions are providing educational awards for toppers in the class sportsman, NCC cadets and NSS students for national level work.
- 11) **Promote Extension Activity:** NCC and NSS play very vital role for extension activity in colleges. NAAC give some credit points to this activity. This activity is very useful to the student and teacher for the point of view of social cause, National integrate, nation building, unity and discipline alternatively extension activity promotes nation building and national integrity.

Conclusion

NAAC play a vital role for overall development of the educational institutions they provide the lot of facilities through college because NAAC pressuring on the colleges to give the facility for development of nation as well as students and teachers. NAAC is autonomous

institution but it has authority to control the colleges through the grading and credit points of colleges so altimetry NAAC play very important role for Nation Building.
