FROM THE PRINCIPAL'S DESK

Dear Students,

Welcome to Shri Shahu Mandir Mahavidyalaya, Pune, a college deeply and sincerely engaged in providing quality education to the poor and the downtrodden masses. We have been proudly serving this social cause since 1960. As we sow the seeds of social service, social justice and equality so do we expect our students to reap the same values and generate them far and wide amongst their fellow men. Education, my dear students, is a tool and a weapon that safeguards and prospers the individual who accumulates it as well as the family and society to which that individual belongs. Hence when you educate yourselves here in this college we expect that as responsible, awakened and enlightened citizens you should reach out to the ignorant masses and spread the light of learning amongst those who are more deprived than you are. Your education should be a ray of hope for the entire society and the humanity at large. Many social reformers relentlessly fought for the right to education for the poor masses and their upliftment through education. I request all of you to keep these efforts of our forefathers in mind while educating yourselves and help make this society and the nation thereby learned and rational.

Welcome once again. Hope you have a very enriching academic experience ahead.

Dr. Vilas Patil

Officiating Principal

OUR COLLEGE

"Education is the movement from darkness to light". Shri Shahu Mandir Mahavidyalaya is started with the intention of spreading the light of education among the disadvantaged section of society. Education is made available to the poorest of the poor. Thus, our motto is "Bahujan Hitaya Bahujan Sukhaya". i.e. for the well-being and happiness of the masses. Through education we try to inculcate the culture of social equality, education and upliftment of the poor.

Shri Shahu Mandir Mahavidyalaya is a branch of Akhil Bharatiya Maratha Shikshan Parishad, an educational trust established in 1907 with the objective to cater to the academic needs of the poor and the needy, particularly with a rural background. The A.B.M.S. Parishad celebrated its centenary in 2007. Looking back upon the past the Parishad feels proud of its achievements and fulfilment of its commitment to society. Shri Shahu Mandir Mahavidyalaya indeed has the honour of being one of the most flourishing branches of this socially committed institution and holds its head high for pursuing the social goals of the A.B.M.S. Parishad. Inspired by the thoughts and actions of Shahu Maharaj, the trustees established this college in 1960 appropriately named after the noble king who spent all his life in the cause of social equality, education and upliftment of the poor.

It is great honour for us, that the then Prime Minister of India, Pandit Jawaharlal Nehru laid the foundation stone of the main building of our college in 1959. Having completed 60 years of academic service to society today we have a three storey main building with an adequate number of class-rooms, laboratories, common rooms, a separate library building and meticulously developed flora over a piece of more than 65 acres at the foot of the Parvati hill. We have competent and well-qualified teaching faculty and an excellent administrative tradition.

Our college was honoured for its significant role in "spreading higher education amongst the most disadvantaged sections of society" by NAAC in 2003. In 2011 again our contribution to education and social upliftment through education to the masses impressed the NAAC Team and we secured Grade 'A'. In the third cycle of reaccreditation of NAAC we again have secured the "A" Grade in the academic year of 2017-2018. Our students can boast of learning in a college which imparts knowledge and vision. We are proud to be one of the best colleges in the city. All of us feel it to be our responsibility to keep up with the status thus we wish to work tirelessly for the betterment and excellence.
