Invitation

It gives us immense pleasure to invite you to participate in one day National workshop on **“Formulation and Testing of Hypothesis”** on Friday, 28th March 2025 organised by Ph.D. Research Center in Commerce of Shri Shahu Mandir Mahavidyalaya.

About Akhil Bharatiya Maratha Shikshan Parishad

Akhil Bhartiya Maratha Shikshan Parishad (A.B.M.S.P.) was established in 1907. The Parishad was established with the motto “Bahujan Hitay, Bahujan Sukhay” (In the interest and welfare of the common masses). Since its inception, the Parishad has created an educational awareness amongst the people of all strata. The work of education was enhanced by the revolutionary thought of Rajashri Shahu Maharaj, who believed in free and compulsory education to the students of all classes in the society. The main aim of the Parishad is to create a state of art educational complex so that higher education will be made available to all strata of the society at a very reasonable consideration and to provide the adequate aids and guidance to the students and to eliminate the number of hurdles faced by them.

About the College

Shri Shahu Mandir Mahavidyalaya was established in 1960 spread education among masses. About One Day National Workshop:

As you all know that statistics are crucial in research for organizing, analysing, and interpreting data, enabling researchers to draw meaningful conclusions, identify trends, make predictions, and ensure the reliability and validity of their findings. This National Workshop aims to provide in-depth knowledge about hypothesis. Hypotheses are crucial in research as they provide a focused direction, guide the research process and facilitate the development of testable predictions, ultimately

contributing to the advancement of knowledge and scientific progress. The workshop will explore various dimensions of hypotheses. Overall, the Workshop would provide a platform for research scholars to discuss critical aspects relating to formulation and testing of hypothesis. Thus, the participants will gain insights into practical formulation and testing of hypothesis in their research work and enhancing their research experience.
